A Young Life **Event Support Packet**

We are **delighted.**

We would love for you to join us as a **partner** for the event!

We are delighted to announce that **Maven** is partnering with **IgnYte** this year to establish community outreach in local schools. IgnYte will take place on **October 26, 2024**, at the beautiful five acres of **Valley View Ranch** in Alachua, FL.

Please consider supporting our efforts to reach, minister, and disciple young adults in the community. Our goal is to raise funds to provide for a child's spiritual needs.

What is Young Life?

Young Life has been doing **outreach ministry** within Gainesville since the 1960's. This area has the growth potential to reach over **100,000 adolescents** with a presence in 8 middle schools, 8 high schools and 2 colleges.

Campaigners

Young Life Campaigners® (a name that points back to the early days when Young Life was referred to as "The Young Life Campaign") is a weekly meeting for kids who wish to learn more or grow in their faith through study, service and leadership. Young Life leaders also encourage these kids to celebrate their faith through participation in a local congregation.

Contact Work

Because kids don't care how much you know until they know **how much you care**, Young Life leaders show they care by going where kids are, meeting them as they are, and believing in who they can be. Within Young Life we call the persistent going out into the world of kids "contact work," but kids just call it friendship.

Club

What is it about Young Life club that makes it the **best night of the week** for thousands of kids every week? We like to think of it as a party with a purpose. It's controlled chaos that's almost impossible to describe, but kids know it when they see it. And before the party ends, we share a simple message about God's love for them. After all, that's what the celebration is all about.

Camp

Kids consistently tell us that Young Life camp is the best week of their lives. That's an inspiring (and unsolicited) endorsement! But how else would you describe a week where deep relationships are forged in the midst of mind-boggling fun and you experience and listen to what we believe is the greatest love story ever told?
